

Jack and the Beanstalk Part 1

A long time ago, a boy named Jack lived with his mother in a poor little house.

One day his mother said, “ Jack, we have no money. Take the cow to the market and sell her. ”

On the way, Jack met a strange old man. The man showed him five magic beans.

“ If you plant them, ” he told Jack, “ they will grow to the sky. ”
Jack sold his mother’s cow for the beans.

When Jack got home, his mother shouted,
“ What ! You sold our last cow for five beans ? ”
She was angry and threw the beans out the window.
She sent Jack to bed without any supper.
