

# THE JUNGLE BOOK      Part 1

Deep in the jungle, a panther heard someone crying,

It was a baby boy. His name was Mowgli.

The panther took the baby to a wolf family to live.

He learned to walk. He learned to scratch. He even learned to lie down and play dead.

But a mean tiger wanted Mowgli really dead.

He hated all men---even Mowgli.

One night the wolves had a meeting.

“Mowgli is not safe in the jungle,” they said.

“He must go to the man village.”

So that night the panther carried Mowgli away on his back.

“You are not safe in the jungle,” the panther explained.

“You must go to the man village.”

“But I like the jungle ! “ cried Mowgli.

So the boy ran away from the panther.
