

The Jungle Book Part 3

The Monkey King put a banana in Mowgli's mouth.

"Now you are a monkey," said the King, "and you will live with us!"

Mowgli shook his head no!

Suddenly, the big bear came and saved Mowgli. "Now", said the bear, "you must go to the man village."

"But I like the jungle!", cried Mowgli.

So, the boy ran away from the bear, too.

Mowgli was running very fast when a tiger jumped out of the bushes.

"Who are you?" asked Mowgli.

"I am the GREAT tiger!" he roared.

"I am not afraid of you," said Mowgli.

"Oh really?" said the tiger.

"I will count to ten, and you must try to run away. One, two, three, four...."

CRASH---

lightening hit the jungle trees.
