

## The Jungle Book Part 4

The tiger ROARED and ran away from the lightning.

The bear and the panther ran to Mowgli.

“Are you okay?”, they asked.

Mowgli nodded.

“It’s too dangerous for you in the jungle !

We think it’s time for you to go to the man village.”

Mowgli sadly agreed.

They began to walk.

When they reached the man village, Mowgli waved goodbye to his friends.

“I hope I like being a man,” he said.
